Director Jenifer A.L. Smith, PhD

Per your request, the Science Advisory Board has reviewed the US President's Council of Advisors on Science and Technology (PCAST) report. The Board has prepared recommendations on the Latent Print section of the report and approved the final version of those recommendations. Attached is a copy of the recommendations.

Review of the Firearms section is ongoing and will be forwarded to you as it is completed and approved by the Board

Respectfully Submitted on Behalf of the Board,

A handwritten signature in black ink, appearing to read 'Peter M. Marone', written in a cursive style.
