

Department of Forensic Science

Science Advisory Board

September 20, 2018

Director Jenifer A.L. Smith, PhD

Per your request, the Science Advisory Board has reviewed the US President's Council of Advisors on Science and Technology (PCAST) report. The Board has prepared recommendations on the Firearms section of the report and approved the final version of those recommendations. Attached is a copy of the recommendations.

This recommendation completes the Board's review of your request.

Respectfully Submitted on Behalf of the Board,

A handwritten signature in blue ink, appearing to read 'P. Marone', with a long horizontal flourish extending to the right.

Peter M. Marone, MS

Chair, Department of Forensic Science Advisory Board
