Dear Deputy Director Graham:

ANAB has approved the continuation of accreditation of the DC Department of Forensic Sciences, based upon the results of the off-site surveillance review, completed by Lead Assessor Dave Grady on August 15, 2017.

Along with this correspondence, you will find a copy of the Surveillance Report. Continuation of accreditation does not change the expiration date of accreditation. Rather, this action is an annual, formal acknowledgement that a forensic service provider continues to operate in satisfactory conformance with accreditation requirements.

Congratulations on your continued conformance with the ANAB accreditation requirements as well as your own management system. Should you have any questions, please feel free to contact us at [QualityMatters@ANAB.org](mailto:QualityMatters@ANAB.org).

Sincerely,

Pat Bencivenga
