Dear Ms. Beyer:

This is in response to the external Quality Assurance Standards (QAS) Audit Report for the DC Department of Forensic Sciences in Washington, DC, dated August 15 to 16, 2017, for the 2017 external audit.

For tracking purposes, the audit has been assigned number 2017077. Please refer to this number if you have any inquiries concerning this particular audit document. The electronic audit submission from the laboratory will be destroyed by the FBI.

A review of the audit documentation found your laboratory to be in compliance with the external audit requirement and the FBI Director's Quality Assurance Standards.

Thank you for your assistance in this matter.

Sincerely,
